

## Flagler Beach Sanitation Department

- Place your garbage and trash out for pick-up by 7am on your pick-up day.
- Place your garbage and trash within 6 feet of the roadway.
- Place your garbage in containers that do not exceed 32 gallons on capacity or in securely tied plastic bags.
- Large furniture should be broken down into pieces that can be handled by one man.
- Refrigerators, freezers and other items dangerous to children, must have their doors removed.
- Residents can dispose household hazardous materials at the Flagler County landfill. This includes motor oil, antifreeze, paint, batteries, pool chemicals, fluorescent light bulbs & gasoline.

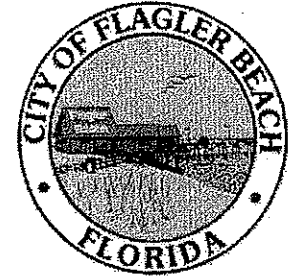

City Ordinance 86-19 prohibits Sanitation crews from picking up any trash defined as the following: EARTH, TREES, CONSTRUCTION MATERIALS OR DEBRIS, ROOFING MATERIAL, PLASTER, CONCRETE, or other substance that may accumulate as a result of repairs to land or buildings or as a result of clearing lots or as a result of building operations or as a result of tree removal

Homes with addresses that end in an even number:

Daylight Savings Time: Thursday & Sunday  
Eastern Standard Time: Sunday

**YOUR MONTHLY UTILITY BILL**

All meters are read at regular monthly intervals and bills are based on actual readings. Monthly bills are prepared and calculated once per month and mailed out on the last business day of the month.

If a bill is not paid by the due date, the account shall be considered past due and a penalty of 10% shall be imposed. If the bill together with the penalty is not paid in full by the next billing date the balance due shall accrue interest at a rate of 1.5% and the amount in arrears and the new charges will appear on the subsequent bill. The total amount of charges and penalties shown on such bill with an amount in arrears must be paid by due date or service will be subject to immediate disconnection.

The service shall not be resumed until all charges and penalties are paid together with a turn-on charge.

If you have questions about your utility bill please call: 517-2000.

**How to test for leaks in your home:**

- Turn off all water using appliances and fixtures inside and outside your home.
- Locate your water meter at the front of your property. (Usually in plastic meter box)
- Write down the numbers showing beneath glass cover.
- Wait 20 minutes without using any water.
- Check the meter again. If the numbers have changed from the previous reading, you have a leak.

**Utility Charges  
Residential Rates**

Base Monthly Charges:  
\$11.77 Water Base (plus consumption)
